what goes

toss items that are worn out & past their prime:

towels
washcloths
loofas
hairbands
bath toys (check for mold often)

replace expired products:

cosmetics
nail polish
toothbrush (replace every 6 months)
medicine
sunscreen

consolidate & eliminate surplus:

extra towels (2 - 3 per person is enough)
products you bought but didn't like
extra bath products
extra medicine cups & syringes
make-up / perfume samples
hotel toiletries

donate unused items

only keep what you will realistically use
